

BUSINESS DEVICES THAT ARE A CLASS APART

The ultimate productivity notebook, ThinkPad T Series will keep users productive all day with long battery life, docking and enhanced connectivity options, security and manageability features.

ThinkPad T480

Smarter
technology
for all

Lenovo

Office-based users will get a major boost in productivity with this top-selling business laptop. From the ThinkPad keyboard and trackpoint - famed for precise feedback and accurate typing - to the processor, storage and graphics technologies, everything about this laptop has been designed to help users work more efficiently.

REASONS TO BUY

With up to 2TB of storage space, and a Thunderbolt 3 port for high-speed data transfer, users will never run out of space for storing and backing up data.

Connect all your office peripherals easily and instantly using a ThinkPad mechanical dock cradle, or a ThinkPad USB or ThunderBolt dock connected with a cable.

Work on complex spreadsheets, statistical software and other data analysis tools, with a high performance processor and DDR4 memory.
